Jean Coplestone Named Editor of Golden Gater

Jean Coplestone was named editor of the Golden Gater to succeed William Buchan. The selection of the Board of Publications was announced at the semi-annual Publications Dinner, Friday night.

Present managing editor of the Friday edition of the Golden Gater, Miss Coplestone, has had much experience in college journalism. She has held the positions of associate editor and managing editor since her transfer to State. Previous to that she was women's editor and news editor on the Guardsman of San Francisco Junior College. She has also held staff positions on the Santa Rosa Junior College publication and the Oregon Daily.

Jean Coplestone has been termed one of the outstanding student journalists in the bay region by people of the metropolitan papers.

As assistants she will have Max Williamson and Cliff Worth as managing editors. Williamson, former editor of the Oak Leaf at Santa Rosa Junior College, held the managing editor's position during the present semester. Cliff Worth has been connected with the Golden Gater in various capacities.

Nola Keller was named business manager of the paper to succeed Bill Rose. Stan Sieber, member of the Board of Publications, was given the position of business manager of the Franciscan, a post vacated by the resignation of Charles Rich.

Music Federation Host to Teachers

Teachers from four different states will convene on the campus on March 21, 22, and 23. It is the first time in fourteen years that San Francisco has been chosen as the seat for the convention.

Alfred Hertz will conduct an orchestra composed of secondary school students, while Glen Woods will conduct a large choir, according to Leon Minear, newly elected president of the Music Federation.

Early next semester the Music Department will hold a series of concerts. These concerts will be held on Wednesday evenings at 8 o'clock. State students are urged to attend these concerts, said members of the Federation.

Officers elected for the following semester are as follows; Leon Minear, president; Jimmy Chestnut, vice president; Elinear Donaldson, secretary; and Carlton Hanson was elected treasurer.

Building Plans Previewed For Future Work

Approaching finals and a new term have temporarily slowed down operations of the Strategy Board working for the building appropriation which if passed by the current Legislature will mean several new buildings for State College.

Plans for the future are definite although not yet complete. From reliable authority it was ascertained that the San Francisco members of the Assembly and Senate were heartily in favor of the plan for putting up new buildings on the campus as outlined by members of the Campaign Committee at a round table discussion recently. It was also found that such a bill as was suggested by the committee to obtain the funds for building was endorsed and a definite promise made to introduce it at the first opportunity during the present session.

Ed Cockrum, student body president, was optimistic in his view of the situation as a whole. "The ground work has been done successfully and now all that remains for us to do is move progressively forward until the time arrives for further concentrated action."

Members of the committee have been functioning during the holidays according to reliable advices and speeches have been made before local civic groups outlining the needs and requests of the College. As they are received, invitations to speak are accepted by the committee.

R. CAVE PLANS FOR PROPOSED PAPER COURSE

With the proposed journalism major needing only the sanction of Sacramento officials, State's social science department, under Dr. Roy Cave, chairman, is laying plans for a social science minor to accompany the journalism major if the latter is added to the curriculum for the fall term.

According to word from newspaper authorities, there is an increasing demand for journalists with a knowledge of history, economics and world affairs. The social science minor would not be compulsory with the journalism major, but would be recommended as advisable by both the English and social science departments, according to Dr. Cave.

Dr. Cave also named four new social science courses which have been added to the curriculum—one the coming semester and three next fall. Econ. 134—Corporation finance and investment, will be taught by Dr. Ascher next semester.

The three courses added for the fall semester are:

1—Econ. 108—Contemporary theories of economic reform. Ascher. A study of plans, movements and theories of social reform, with special references to their economic aspect.

2—Hist. 111 A-B, 6 units, Gibson. History of the ancient civilizations from ancient Egypt to the decline of the Roman Empire.

3—Hist. 191 A-B, 6 units. Treutlien. History of the Far East, China, Indo-China, Korea, and Japan.

A.M.S. to Hold Final Rally of Fall Term

After finals, the sixth and last A. M. S. rally and meeting of the current semester will take place in the gym. The purpose of the rally will be to nominate officers for the spring semester 1937. All offices will be open to nominations and all men students are urged to come and select their candidates.

Mike Driscoll, president of the A. M. S., and his committee are working on another entertaining program which will follow the nominations. The meeting will be followed by refreshments.

Ask Millions From State For New Buildings

San Francisco lawmakers began an active fight for money for a new San Francisco State College, as they introduced a bill calling for the expenditure of $2,380,000 for new buildings at the state legislature. The bill was being fostered by Assemblyman Ray Williamson and Thomas Maloney.

Due to legislative procedure, final action on the bill will not be taken until March. Under the State constitution the legislature cannot consider financial appropriations other than urgent appropriations until the budget has been disposed of by the group.

The bill calls for the following:

Main College Hall	$900,000
Library	$500,000
Gym	$340,000
Auditorium	$325,000
Athletic Field	$195,000
Training School	$ 70,000
Minor Construction	$ 50,000

The bill will be sponsored by the entire San Francisco delegation in the legislature. Assem-

Physical Ex's Are Required: Roberts

"San Francisco State has been on the credited list of the American Association of Teachers College for several years. We have had certain difficiencies but they are now all cleared up. The last one was the rule requiring a medical and physical examination for all students every year. We have had examinations, three out of four years. Now we are adding the fourth to meet the last requirement. This will give us a clear standing on the American Association." The above statement was made by Dr. Alexander C. Roberts, concerning the examinations, at a recent interview.

TIME OUT By THORPE

BACK AGAIN . . .

Spending three weeks (a) studying, (b) celebrating and (c) recuperating, your columnist finds himself entirely at a loss (as usual) on what to write in this bit of journalistic endeavor. . . . Ploughing through the proverbial haze which accompanies a group of holidays, yours truly knows that everybody concerned in athletics had a swell time . . . 'nuff said . . . Nevertheless, this column will contain some humor, some pathos and some fun, eh kid? . . .

WELL, WELL . . .

Seems this immense metropolis of Vacaville read in a 'Frisco daily that a "Red" Thompson was playing soccer for the S. F. All-Stars against the Canadian Westminster Royals . . . Jumping at the conclusion that it was their "local boy who made good," they publicized it highly in the Vacaville Gazette, or sumpin' . . . even put his picture in their sheet, even though it was the WRONG "Red" Thompson . . . Proving Shakespeare's old saying, "What's in a name!" . . .

GAME OFF . . .

They wanted us down there on a Wednesday, we couldn't get down there on a Wednesday . . . Game with Loyola U. cancelled.

ALL WOOL, AND A CARD . . .

Bill Plutte, towering guard for the Purple and Gold quintet was glad they changed the wool basketball uppers to another material, he complained, "I **can't play basketball** (unquote) with those durned woolie uppers on, they itch!" . . . Never blame the lack of ability on the quality of a poor, defenseless little wool upper, Bill.

HARDEN SAYS: "Come on out for baseball."

FARMER SAYS: "Come on out and see the basketball games!"

Advisory Council to Hold Installation Tea

The Advisory Council will hold an installation tea on Wednesday, January 13, from 4 to 6 in the Activities Room. At this time Dean Ward, the new members and new officers will be honored.

The new officers are: Kay Bailey, chairman; Dawn Wilson, vice-chairman; Beverly Guichard, recording secretary; Margarite Bellis, corresponding secretary; Evelyn Geinzer, historian.

SPECIAL NOTICE

There will be an exhibit of the work of the craft class of Miss Susan Benteen on Wednesday, Jan. 13, in room 211 from 11 to 4 o'clock.

—o—

During the Christmas vacation Miss Lea A. Reid made a nineteen day tour of the Panama Canal. She went by train to New Orleans and boarded a boat for the Panama region. This trip completes her world tour.

—o—

Special State calendars, sponsored by the annual, are still on sale for 10 cents a copy.

FROM THIS SIDE

By BILL BUCHAN

With this issue we write a final thirty to this column. It has been a full semester and it is with a little sorrow that we bring From This Side to an end. Before enscribing the final thirty, we would like to take the opportunity to thank those persons who made the Golden Gater possible. To Max Williamson, who stepped into a difficult job and did it well, we say "Thanks". To Louise Vallarino, a willing and hard worker, we give our heartfelt thanks for all the splendid things that she accomplished. Then there is Bob Chamberlin, and there is Ina Gill, and Al Cartwright and Tom Thorpe and Ken Johnson and the staffs of the papers.

There is also one person who merits more than just a word. To Jean Coplestone we extend congratulations and take this opportunity of expressing our sincere gratification on the Board of Publications choice of editor. Editor Coplestone should prove to be one of the finest in the history of the college. If the hard work that she has done means anything, the paper will progress. It has been a real privilege working with this staff and with Miss Coplestone especially.

Congratulations to Max Williamson and Cliff Worth who were named managing editors.

THE TRI-WEEKLY

As yet we have to hear a cross section opinion on the new tri-weekly venture of the Golden Gater. Without doubt it will find some favor. It is on this premise that an attempt will be made to enlarge it to a five column paper before the start of the next semester.

blymen were confident that the bills would be adopted.

Assemblymen were urging students of the college to band together in support of the measure. Campaigns through letters from parents and friends will be decisive factors in the passage of the bills.

To further this, the student committee in charge will make information available to students concerning the addresses of Assemblymen other than the San Francisco delegation. This will be in the mail boxes by Wednesday.

TIME OUT

By TOM THORPE

Continued from Page 2

COX SAYS: "Come on out for track!"

CHORUS: "Come out, come out, wherever youse are!!" . . .

HELP WANTED . . .

The Carnegie Bulletin, dealing with athletic subsidizing and paying of athletes to compete in a sport looks at State with patronizing and approving eyes. . . . Yet a little effort on the part of certain people could ease the burden of some of our athletic young men. . . . Not to suggest paying our football or basketball players, but just giving them a HELPING HAND HERE AND THERE WITH JOBS. . . . To cite an example: One basketball player on this campus sits on the sidelines because his work keeps him from practice, he has to work his way through school. . . . Another races from practice at 5 o'clock and works until midnight, studies and gets up every day in time for his 9 o'clock class. Still another works ALL NIGHT and gets about 3 hours sleep in the morning. . . . With a few exceptions, the whole team is made up of fellows that are WORKING THEIR WAY THROUGH COLLEGE, and not by selling Fuller Brushes. . . . Here's the moral to this little discourse: These fellows, who do more than all the headline grabbers and publicity seekers who claim all credit for boosting, are receiving the smallest amount of credit. 'TIS A PITY THAT SCHOOL SPIRIT CAN'T BE TURNED TO HELPING THESE DESERVING STUDENTS GET A DESERVING JOB, INSTEAD OF KNEING THEM IN THE BACK WHEN THEY LOSE AND PATTING THEM ON THE BACK WHEN THEY WIN! . . .

EDITOR'S NOTE:

This is the last issue of this semester and I want to extend my thanks to you-all. . . . I enjoyed being your Sports Editor and columnist and I hope you enjoyed my being such. . . . Happy New Year and support your teams. . . .

Jayvees Win From Mission

In a comparatively slow-moving game held on the Mission court last Wednesday, State's Junior Varsity defeated the Mission High School unlimiteds by ten points. Both schools showed the effects of the Christmas holidays and lack of practice in the first half, the score at the half being State 12, Mission 6. They both showed better form in the second half, with the final score standing at 34-24 in favor of State.

The Jayvees were augmented in this contest by the return of Hal Thompson, who was working before vacation and was unable to play. Gordon Bolander was the outstanding scorer for the Jayvees in the game, sinking four free throws and three field goals. Frankie Collins was following closely behind Bolander, swishing three field goals and a free shot. The scoring for State was as follows:

	F.G.	F.T.	Pts.
Bolander, LF	3	4	10
Collins, C	3	1	7
Lee, RF	3	....	6
Bogdanoff, RG	2	2	6
Red Thompson, RF	1	....	2
Hal Thompson, LG	....	1	1

In the preliminary game Mission's championship 130's defeated the Flying A's to the score of 17-9. Jim Hopkins, playing his second game of the day, was high-point man in this contest for State, with five points. He was responsible for all of State's scores in the first half.

During vacation the 45's won their preliminary game with Palm Lodge to the tune of 51-24. Frankie Collins won high scoring honors by scoring 17 points in this contest, taking the season's scoring lead with 47 points scored already this season. Joe Lee follows closely with 37, and next in order is Ronnie English with 26 and Gordon Bolander with 25. George Bogdanoff with 18 points, Jim Hopkins with 17, and Bill Rowlands with 15 points are all showing promise to become high scorers this season.

ADVISORY COUNCIL

There will be a meeting of the council on January 22. The time and place will be set later.

STATE TROUNCES MENLO TO SWEEP HOOP SERIES

Down In Front

By ED. SMITH

On February 12th and 13th the Jr. Varsity, under the leadership of Coach George "Slip" Mirande, will migrate north to play the Ukiah and Willits high schools. This is the first year that the Jr. Varsity has been able to play both of these schools on the same trip, never having encountered Willits before.

Coach "Bud" Christenson has always managed to eek out a win over the baby Gaters, sometimes by one point, sometimes by two points, but this year the baby Gaters are out to win by a large margin. "Bud" is one of the finest coaches in that region, winning many championships with his fine aggregations, and he intends to do to the Jr. Varsity just what the Jr. Varsity intends to do to him.

All season the '45's play at home, but this is the one trip they look forward to. It seems to be a tradition for the Jr. Varsity to play Ukiah, and if things turn out right they will no doubt keep up relations with Willits which will be an incentive for them to stay out all season. All season long they play second fiddle to the Varsity in prominence, but this is their night to howl, and how they do howl! Just imagine that you are at Ukiah's gym . . . the place is thronged with people to watch and see if the country lads can beat the boys from the city . . . you hear a yell, the Ukiah "Zipper" yell which will make you sit up and take notice of the spirit . . . the game starts and it seems like it will be close . . . yes, it is close, the score tied at half time . . . coming into the closing minutes of the game . . . the score is still close . . . the game ends . . . the score? . . . who knows.

By ED. SMITH

State defeated Menlo to take the 2nd game of the series by a score of 53 to 24

State's unknowns, the Varsity basketball team scored a decisive 53-18 rout of Menlo Junior College, Friday night in the opener of the 1937 half of the hoop season. The trouncing was administered by the midget duo of State, Kenny Wilkes and Billy Hammond, assisted by Cy Atkinson.

Billy Hammond was high point man with 16 markers to his credit when the gun ended the one sided contest. Following right behind and keeping his game average intact, "Cy" Atkinson dropped enough through the hoop to be credited with 13 points in the scorebook. Wilkes was third in the scoring race with 10 points to his credit.

The completeness of the route could be seen when Ken Johnson tanked one out of five tries. Johnson and Bill Plutte had an easy night at the guard spots, holding the diminutive Menlo forwards to a lone field goal in the first half.

Little Bobby Wilson held scoring honors for Menlo with 5 points chalked up to his credit. Hudson was second with 4.

It seemed to be a case of a bigger team meeting a smaller team and that was all of that.

Coach Dan Farmer discovered some new material in the fray. Ed Barbano, subing for Wilkes, collected 3 field goals during his stay in the game. Cecil Huse, who moved in for Bill Plutte showed well at the guard spot.

W. A. A. Awards

On Friday, January 15, instead of an Awards Dinner we will end the semester and give out our awards at a big informal party which will probably be held at Sigmund Stern Grove. No admission charge, all women invited. Blanche Tuggy in charge.

Block "S" to Initiate Men

With neophytes meandering sheepishly around the campus last Thursday and Friday, with one pants leg rolled up, vests on inside out and a ribbon pinned on their manly chests, the Block "S" started their annual initiation for the new football letter men. Persecution will be continued today and tomorrow, concluding Wednesday afternoon.

This week, the Block "S" will see and also make sure that every new member is properly attired with a cute pink and blue bow in his hair.

The State "Brawn Trust" dealt out a small sample last week of what these Blockmen can expect near the end of their ritual. Opening ceremonies consisted of carrying trays in the Co-op; clearing off the counter for "Trinket" Smith; treating their elders as they should be treated; addressing them as "sir" and obeying their every command. Persuasion, in the form of a paddle, helped to soothe the ruffled feathers of the more spry and belligerent youngsters who developed a complex equal to that of the two and three and four year men.

Some of these lambs being led to the slaughter are: Bill Hammond, Bob Kelnohofer, Dick Quarg, Hank Summers, Bob Chandler, Bill Abbey, Bill Ferem, How Hanrahan and Dave Schiller.

—o—

Out of a total of 125 students who took the English B examination this term, 73 passed, and 52 failed. This result compared favorably with the first English B to be given at State, in which the same number of students participated, but out of the 125, only 25 passed.

Registrar's Office

Examination Schedule
January 14 to 22, 1937

The following schedule has been adopted by the Curriculum Committee and will be submitted at the next faculty meeting for formal approval.

Classes will be held at hours scheduled either for examination, lecture or discussion.

Exceptions:

All English 1, 1X, 2, and 2J classes will hold examinations on Thursday, January 14 from 2:10-4:00.

P. E. 150 (Miss Holtz's sections only) Thurs. Jan. 14, 2:10-4:00.

P. E. 150 (Mrs. Stephenson's sections only) Tues. Jan. 19, 2:10-4:00.

B. S. 6 classes (all sections) Fri., Jan. 15, 8:30-10:30.

Math. 1 (all sections) Fri., Jan. 22, 11:10-1:00.

8:45 classes follow 9:10 schedule (see schedule above).

2-4 classes follow 2:10 schedule (see schedule above).

Daily classes follow MWF and TTh schedule (see schedule above).

MTWTh classes follow MWF schedule (see schedule above).

5:10 and 6:10 classes schedule examinations on last meeting of the class.

P. E. activity classes will not be held during examination days.

Classes scheduled for:	Exam. to be held:
8:10 M W F	Mon., Jan. 18 8:30-10:30
8:10 T Th	Thurs. Jan. 21 8:30-10:30
9:10 M W F	Thurs. Jan. 14 8:30-10:30

STUDENT'S CO-OP

Sienna & Newman Clubs Will Merge

Announcement of the merging of the Sienna and Newman clubs, two of State's Catholic organizations, into one group which will retain the name "Newman Club," was made last Friday by Bill Rose, secretary of the former men's branch.

Tomorrow eight selected representatives from Sienna and Newman will meet with their chaplain to approve a constitution for the government of the new combination and to make provisions for the election of a president.

The acceptance of the merger proposition by Sienna Club members at a meeting last Monday was the decisive move in this action, which puts the Newman Club on the same coeducational basis as similar clubs in other colleges.

1. All Low Sophomores and Low Seniors must have a medical and physical examination before Thursday, January 14. Appointments must be made at once in the registrar's office. Examinations will be given beginning Saturday morning, January 9.

2. The Dean's Committee is calling a meeting of the January graduates in room 210, College Hall, Friday, January 22, at 3:00 o'clock. At this time State teaching credentials and grade reports for the fall semester will be distributed.

3. Students wishing to withdraw from the College at the end of the semester must file withdrawal cards signed by the library, the financial secretary and the book store. These may be obtained in the registrar's office.

4. Report cards will be issued through the student post office by Thursday, January 28, unless student wishes his sent home. For cards to be sent home a self-addressed stamped envelope must be taken to the registrar's office.

5. There will be a meeting of the Registration Committee at noon on January 28 in room 208 to receive Registration booklets, pay fees and sign up in classes.

James Hall Heard By Sphinx Club

"San Francisco may be compared to a heavy, smooth covered book temporarily at rest upon a steeply tilted, draughting table," commented James Hall, during his speech entitled, "Last of New Worlds—San Francisco," which he presented to the Sphinx Club Monday afternon, December 7, 1936.

Mr. Hall went on to say, "San Francisco was once an island, and the Bay of San Francisco was once a valley; then the Sacramento river cut through and made the entrance to the Golden Gate."

In spite of the dangers brought about because of Feinston deep, an area off shore immediately beyond the peninsula, Mr. Hall voiced the belief that those living in San Francisco could start continued stories and rest assured that they would live to read the last episode.

Mr. Hall outlined briefly the high lights in the slow development and numerous shifts and changes in the northern continent, with emphasis on the bay region and San Francisco. He commented on the fact that the historical period which produced the dinosaur and other such animals, might also have produced a man, a man whose standard of development might have far excelled our development, but it just didn't come about at the time, and instead we see those animals which could not cope with their environment slowly disappearing from the face of the earth.

—o—

Ex. Board Meets

At its first meeting during the new year, held at noon last Friday, State's Executive Board announced that High Freshman, Sophomore, and Junior elections will be held in the Student Body office on Friday, February 5.

The three classes are slated to meet separately at noon the previous Wednesday, at which time nominations will take place. Complete ballots will be printed Feb. 4th.

The problem of cheating in examinations, which has recently come to the attention of officials here, was also discussed by the Board. Faculty members were invited to refer any cases of cheating to the Student Council and to attend the next meeting to further discuss the situation.
